YOU ARE RESPONSIBLE FOR YOUR OWN SAFETY

All participants in a walking group owe each other a 'duty of care'.

All participants should, to the best of their ability, act in such a way so as not to cause, or allow through neglect, foreseeable damage to befall others or their property.

Every care is taken in planning walks, events and work parties, but no responsibility is accepted by the Group, organisers or leaders for any form of accident or liability, however caused. Participation in any event is entirely at an individual's risk.

BENEFITS FROM OTHER ORGANISATIONS

HF Activity Club As an HF Activity Club member, the group earns points for each holiday booked, which may be used for a discount on future group holidays. Members on group holidays will not be charged the associate fees. Our group is a shareholder in HF Holidays and can take part by participating at General Meetings and so on, as well as earning annual interest on the shareholding. In addition, we will receive revenue for publishing the HF Holidays advertisement in our programme. We are also covered by HF Holidays public liability insurance when undertaking group activities.

Ramblers Holiday Walking Partnership As a member of the Ramblers Holiday Walking Partnership we receive a financial contribution every time a member of our group books an holiday with Ramblers Worldwide Holidays. **In order to qualify the person travelling must nominate the group *when booking*.** As members, we will also receive special offers and access to exclusive events.

Cotswold Outdoor Cotswold Outdoor is the Rambler's recommended outdoor retailer. This relationship provides benefits for Rambler's members in the form of a 15% discount, free boot fitting, private shopping events and kit recommendations.

Go Outdoors is now offering an extra 10% discount to Ramblers who are discount card holders.

WE HAVE FOOTPATH WORKING PARTIES ON ALTERNATE TUESDAYS

CONTACT DEREK SWEET 01782 351 112 IF YOU ARE INTERESTED IN JOINING

We generally work between 1000 and 1400 and take refreshments.

Work is under the guidance of Staffs County Council Rights of Way staff on the day.

LOCATOR BEACON

We have a Locator Beacon (about the size of a hand-held GPS\Mobile phone) for use by Group leaders or Individual members of Stone Group when walking in areas where, either there is no mobile phone signal, or they are on their own and unable to reach a phone. IT IS NOT A REPLACEMENT FOR A MOBILE PHONE NOR IS IT TO BE USED WHERE A PHONE CAN BE ACCESSED LOCALLY BY ONE OF THE GROUP.

See the information on our website to borrow the beacon.

EVERYONE CAN LEAD A WALK

The quality of the programme depends on the number of leaders we have.

Stone Ramblers is a members' group and you will feel more involved and have a greater sense of ownership by making an input to the walk programme. We need a wide variety of walks and associated activities to keep people interested.

You do not have to invent walks. You can use a walking guide book; many are available for our area or as a member of the RA you can use Ramblers Routes on the Ramblers website, www.ramblers.org.uk . If you walk it out beforehand, you will feel more confident

If you feel uncertain about leading a walk on your own contact the Programme Secretary of Stone Ramblers, who will assist you to find a suitable walking partner.

MAPS

Having maps of the areas in which we walk will add to your enjoyment of the walk. They are especially useful if you need to meet the leader at the starting point and will enhance your appreciation of the walk and may help in emergency.

Ordnance Survey Explorers Maps 243,244,258,259, OL24 are the ones most commonly used in our programme. They provide easy to follow detail and are ideal for planning walks. OS Explorers are the maps quoted for Grid References. www.dash4it.co.uk has maps at very good discounts.

CHANGES TO ADVERTISED WALKS

Leaders are reminded that not all walkers see notices of cancellations or changes to the **meeting place/time** circulated by email or posted on the website.

The walks programme is also advertised on posters and in newspapers which cannot be changed, therefore leaders should make every effort to ensure that someone is at the original meet time at Westbridge Pk. to pass on information.

Walkers going directly to **the start** of a walk are responsible for contacting the leader to confirm the arrangements.

CAR PARKING IN Westbridge Park

Due to the building works in Westbridge Park we will not be able to meet in the long stay carpark.

Please meet in the Canoe Club carpark on Thursdays and Crown Street carpark on Sundays. Changes may occur at very short notice so watch the Emails and Website.

Thursday May 3rd Thursday June 21st Thursday August 9th

Geoff and Margaret have agreed to provide a series of short, local, leisurely morning walks 4-5 miles in length giving an opportunity after the walk to have lunch at a pub or café.

The aim is to provide a pleasant, interesting walk that will build a bridge between the Health Walks and the traditional Ramblers walks.
